Photo/Information Release

As the parent/guardian of this youth, I grant permission for his/her photograph to be used in post documents including the post web site and newsletters. I also grant permission for his/her name to be published as a member of the post and a member of a post supported team. We will not connect photographs with specific members in the publications. Information on members will not be sold, rented, or loaned, and will only be disclosed as required for registration in the national Exploring program, project competitions, and access to the facility.
